

David Leadbetter

Dean of Instruction, IMG Leadbetter Golf Academy

David Leadbetter

David Leadbetter is recognized by many as the world's leading golf instructor. His teaching theories and methods have revolutionized the game, and his influence on all levels of golf is unparalleled. Often associated with his contribution to the success of Nick Faldo, David has worked and continues to work with the world's leading golfers, including Greg Norman, Ernie Els, Tom Watson, Trevor Immelman, Justin Rose, Suzann Pettersen, Lee Westwood, Charles Howell III, Nick Price and Michelle Wie.

The same principles taught to these top professionals apply to beginners as well as high and low handicap amateur golfers. Within the IMG Leadbetter Golf Academy, David personally oversees the education and certification of all his instructors, ensuring they communicate the Leadbetter philosophy to people of all ages and abilities.

With nearly 30 Academies across Europe, USA and Asia, the IMG Leadbetter Golf Academy has evolved as a unique brand of exceptional global facility, providing quality instruction in a world class environment of fun, excellence and success.
