

All levels of part-time students (not on F-1 visas) are welcome in the University of Miami at IMGGA's Weekly ESL Classes.

This is an active and fun communications class that emphasizes speaking, conversation skills, and vocabulary development for everyday English communication.

Topics for conversation practice like school, sports, vacation, shopping, and technology, change every week and content is adapted to fit the needs and levels of the students.

Students receive 2 hours of English class and 1 hour of scheduled ESL Lab each day. Classes are available to fit morning and afternoon schedules.

These classes are best for students staying for a short time on visitor's visas. Weekly ESL classes do not qualify as a full-time course of study for F-1 visas.

IMGGA English + Sports students can choose the Weekly ESL Classes for a maximum of 12 weeks in one stay and will be assigned to morning or afternoon classes based on their sports schedules.

Students who have academic English goals should plan to be full-time students in UM at IMGGA's Intensive English Program.
