

SPA CONSIDERATIONS TO MAKE THE MOST OF YOUR EXPERIENCE

As a courtesy to other guests and your provider, please give a four-hour notice if you wish to cancel or change your appointment. A charge of 50 percent of the scheduled service will apply if no notice is given that you're unable to make your appointment.

Please leave all cell phones on silent or vibrate while enjoying your service.

Children under 14 years old should be accompanied by an adult to any appointments.

We are happy to reserve a time to focus especially on you. So that all of our guests can receive the same attention during their treatments, we ask that you arrive 10-15 minutes before your scheduled appointment. This will allow for check in and any changing time if needed. Unfortunately, late arrivals will receive abbreviated services in order to keep other guests on time.

In appreciation of outstanding service, gratuities may be given at your discretion. Gratuities are not included in the service price, and 20 percent is the customary gratuity.
